

### 1. Calling

11/1/13

Calling all of our children  
all of our light  
to serve our one God

Santo Daime is the lesson

Teach our thoughts, teach our thoughts.

Calling Rastafari, Rastafari  
the Lord of Lords

I am free of every thought

filled with love, filled with love

Calling Queen of the ocean  
Queen of the sea  
Mamae Yemanjá

### 3. Light within

I am the light, I am the light

The light that shines within us all

### 2. The Blessing

6/11/15

Santo Daime cleans my heart  
cleans my thoughts, cleans my heart

Spreading the message of love all around

Teaching the truth through this pure holy  
sound

I am one with the Father up above  
The Son up above, and the Mother of love

### 4. Why-hyo Yaih-yay

9/14/15

Why-hyo, Why-yo, Yauh-yay

Why-hyo, Why-yo, Yauh-yay

Why-hyo, Why-yo, Yauh-yay

Santo Daime is the blessing  
of our God of our God

Why-hyo, Why-yo, Yauh-yay

Why-hyo, Why-yo, Yauh-yay

Why-hyo, Why-hyo Yauh-yay ↓

I am walking with the earth's flower  
compassion, compassion

Why-hyo, O Why, Why-yo, Yauh-yay

**5. We are LOVE**

2/11/16

I am running in the forest

I am here to heal myself

Singing for our souls

Illuminate our inner path

The moon is the path

To the stars of the heart

This astral love

Is extended from above

While in this holy power

We receive our many blessings

The vine and the leaf

She is here within our reach

The Daime holy Daime

Is here to show us all

We are love we are love

Heaven sent from up above

**6. Wandering Spirit**

(Shoshana Froman) 4/12/16

Find my spirit wandering

I walk with you

You now alone

Find my spirit wandering

Lost in your love

I must walk

Find my spirit wandering

You now are gone

Veiled all alone

Find my spirit wandering

Sent on divine mission

Assignments they will change

Find my spirit wandering

All is not lost

Found in her heart

Find my spirit wandering

**7.The Desert**

(Jake Sheavly)

12/16

As you walk through the desert  
Through the desert of our mind and soul

You will find St. Michael's sword  
Blue flame of love for everyone

**8. March Down**

9/24/16

We march down on these walls of Jericho  
I love myself I love myself within this light  
Quick will fall the throes of Babylon  
Unite we must we are all one within this  
power  
Our tribe is now free to be with God  
Celebrate our freedom from oppression  
Given the eyes to see we must work  
It's within this love we find ourselves in his  
good grace  
Believe that it is possible fly  
I love myself, I love my self within his love

**9.Blue flame of Love**

(Joy Patten)

I am but one with God  
We are but one with God

Finding it in ourselves

The creator beings

Learning to love yourself

In the Virgin Mary

On this astral path

You all learn to heal

Searching for clarity

It is all around

Looking within my sword

The blue flame of love

It is within this flame

The healer of all pain

This is the transmission

Of the Angel Michael

### 10.Healing

11/18/16

We are healing, we are healing

We are healing our body's mind  
and our souls

We begin, we begin

We begin our studies with the  
sacrament of the forest

Open wide let in the light

It's in this truth you know you ARE,  
it is your right

We give thanks, to our mother

To our father Oxalá o papai

We give thanks to the eternal beings

For all they give to us to use every day

We give thanks to the eternal beings

Cabocla Guerreira, Rei o Sete Flechas

\*\*\*

We are one with the forest,  
we are one with the water  
we are one with the sea you and me

### 11.The Eagle Flies

1/13/17

**X2**

The eagle flies spreading his wings on high  
Fearing what we are the darkness it will call

Step into this love of God that's guiding you  
Here on this path you must remain true

Face your fears, the shadow it is deep here  
Explore within, the journey begins here

### 12.Oh Let Them In

1/13/17

Oh let them in, oh let them in, they bring  
vison they bring power they bring sight

Open you heart and you will receive the  
blessings of God they run deep

Oh let this force, this force within, guide  
you deep, deep inside of your heart

You have the sight to see who he is, it's this  
power that brings him in

Leão de Iluminação  
The hinario of Ted Montanye

### 13. Within Our Love

(Shoshana Froman) 6/14/17

You are my sun you are my moon, you are  
the stars that shine straight through

How the years they have past, they go on  
and on so fast

It's because of you! You make it true  
within our love, everything can grow

Learning to hold onto you  
within our love everything can grow

Combine our strength it flows within the  
water that feeds everything

We are old and now wise lived that life  
without compromise

It's because of you! You make it true  
within our love, everything can grow

Learning to hold onto to you, you are my  
light that shines straight through

Find our roots they run so deep, it's in the  
soil of our true keep

Oh how the time has slipped into the cracks  
of life they still remain true

It's because of you! You make it true  
within our love, everything can grow

It's because of you! You make it true  
within our love, everything can grow

Leão de Iluminação  
The hinario of Ted Montanye

#### **14. Na Linha do Mestre**

8/1/17

| Aprendendo as instruções de Sebastião

Canta na linha do Mestre

Nós ficamos fortes neste ponto do amor

Canta comigo meus irmãos

Estuda firmeza da verdade

Para libertar sua mente

Está dentro desta linha do Mestre

Podemos curar o mundo

#### **14. In The Line Of The Master**

| Learning the instructions of Sebastião

Sing in the line of Mestre

We stand strong in this love

Sing with me my brothers and sisters

Study the firmness of the truth

In order to free your mind

It is within this line of the Master

We can heal the world

Leão de Iluminação  
The hinario of Ted Montanye

### 15. Conquer it all With Love

9/6/17

We must conquer it all with love  
We must conquer it all with love

This power this beauty before us  
Love inside your heart

We must conquer it all with love  
We must conquer it all with love

The beauty of Mother beside me  
Release the fear inside

We must conquer it all with love  
We must conquer it all with love

The Sun the Moon the Stars  
Please teach me well

We must conquer it all with love  
We must conquer it all with love

### 16. The Lion's Den

1/25/18

Steady is the lion that leads you straight out  
of his den (is the lion)

Calling Rastafari, the way in

Follow his commandments to serve all of  
humanity (his commandments)

Trust our Father our living God

Help one another to ease all the burdens  
and pains (one another)

Live beyond faith enter knowingly

Leão de Iluminação  
The hinario of Ted Montanye

### 17. Firmed in the Light

3/14/18

We are firmed in the light  
Everlasting loving light

Beings of the forest come to me  
they are only here to set us free

We are firmed in the light  
Everlasting loving light

Travel to the land that is inside  
there is no space here for fear nor pride

We are firmed in the light  
Everlasting loving light

One true power is here understood God is  
where you split the piece of wood

We are firmed in the light  
Everlasting loving light

### 18. Son of the One Pure Light

(Chris Witt)

3/5/18

I am the son of the one pure light  
Find our hearts in every day and night

Open to receive the channels are inside  
Be true to form and listen as you speak

We are a union of master's light  
Feeling deep in our holy sight

Listen to the words they are here to help  
Find your comfort in that which you serve

Stand strong with love as the true virtue  
The Northern Light is still guiding you

Have faith in God as he is still there  
Walk with pride and enter humbly

Leão de Iluminação  
The hinario of Ted Montanye

### 19. The Walk Home

(Lucas Dehry)

8/10/18

Here on this path  
always following

Butterfly spread  
your wings

Follow on the path  
the path of light

All the way back home

Transformation has begun you are pure  
light

Welcome to the kingdom of love

Your journey has been long  
not too far to go

Followed in light of God

The reward is great  
for those who serve

Live your life in faith

### 20. The Light of the Moon

9/8/18

Guided by light the light of the moon

It is in you, it is in me

Here on this path the path of forgiveness

I ask for love, I give love

Lessons of truth they live in all of us

They teach us well, for all to heal

Learning from nature she believes in you

We lift her up, she lifts you up

Living with faith that God has a plan

Because we are all made of light

Leão de Iluminação  
The hinario of Ted Montanye

## 21. The Guided Masters

4/6/19

Call in the guided masters  
they are here to set you free

They bring in the light from up above  
They are here to set you free

Eu vivo na floresta  
We are children of this land

Like a circle that has no end  
Is the love of our Father

As guided by the power  
It is coded in us all

Unlock the truth that is inside  
The secrets they are here

## 22. My Father

(4/10/19)

My Father do not forsake me  
I continue to live in the prayer

For you have given your son  
So that he may save the Earth

My Father I ask for forgiveness  
For the sin within us all

I may be small, but I stand  
With the Virgin of Conception

## 23. With Faith

1/5/20

They came, they saw  
they conquered it all

Glory to God  
praise H.I.M.

With Faith we build  
preparing for return

Trust in H.I.M  
my child

**24. Arriving Star**

2/21/20

When the blue star arrives  
you are called into the order of the Master within the heart  
It is here you find your mission to serve the light

Confia em Deus de amor  
Comandou da Rainha da floresta

Life can be simple if you follow  
on the path of love, truth and total release  
Surrender to God and have faith that he will always be

Confia em Deus de amor  
Comandou da Rainha da floresta

As the tree is transformed into the little boat  
which sails upon the blue and pearly sea  
Your soul is to work so that you may forever be

Confia em Deus de amor  
Comandou da Rainha da floresta

Leão de Iluminação  
The hinario of Ted Montanye

**25. To my Mother**

10/30/19

Call the forces of the Queen  
Our Mother Yemanja

To know God and the Son  
within your self  
We are all divine beings

To my Mother Yemanja  
I present myself to you

The waves they keep crashing in  
and glisten in the sun  
unlock the power deep inside

To cleanse myself with you  
bring the life into my heart

The mermaids and the ocean  
call a cleansing song for all  
It is here me must arrive
